Windows 10 Setup

1. Click the icon  in the lower left corner of the desktop
2. Click "Settings  " in the pop-up menu.
3. Click "System  System" in the pop-up menu and the following menu will pop up:

4. You can use the mouse to drag the three monitor icons in the red frame to adjust their position.
5. You can select the options in "Multiple Displays" to set mirror or extended modes. And you can also select any one of them as the main display.

6. Right-click the DisplayLink Manager icon  on the bottom right of the desktop, and select "Audio Settings" in the pop-up tab. Select "aoeyoo USB audio" in the pop-up tab, and click OK.

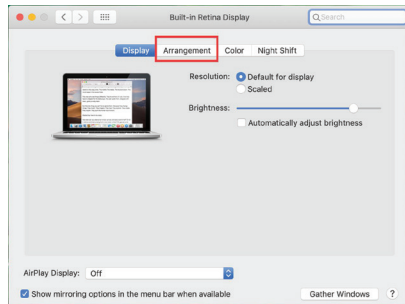

MacOS Setup

1. Click the "System Preferences"  icon at the bottom of the desktop.
2. Click the "Display"  icon in the pop-up menu.
3. In the pop-up menu, select "Arrangement".

Note:

If this tab does not appear, please check whether the driver version matches your system and ensure that the installation is complete; please check whether the adapter is properly connected to the computer and TV.

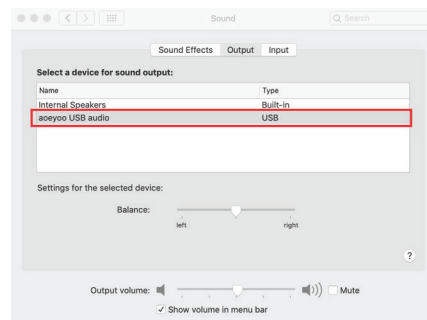

4. You can use the mouse to drag the three monitor icons in the red frame to adjust their arrangement. And you can also select the mirror mode here.

5. Click the "System Preferences"  icon at the bottom of the desktop.

6. Click the "Sound"  icon in the pop-up tab.

7. Select "aoeyoo USB audio" in the pop-up tab

Warranty

1 Year limited Warranty. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

For our assistance with regards to warranty please email to support@simplecom.com.au or create a support ticket at <http://www.simplecom.com.au>
