## Warranty Information

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

For our assistance with regards to warranty please email to [support@simplecom.com.au](mailto:support@simplecom.com.au) or create a support ticket at <http://www.simplecom.com.au>

Limited Warranty Period: 1 Year

The warranty for you, the end—user customer, that the hardware products, accessories, will be free from defects in materials and workmanship under normal usage during the Limited Warranty Period specified above. The Limited Warranty Period starts on the date of purchase by you. Your dated sales or delivery receipt, showing the date of purchase of the product, is your proof of purchase date. You may be required to provide proof of purchase as a condition of receiving warranty service.

Limited Warranty covers only those defects that arise as a result of normal use of the products, and does not cover any other problems, including those that arise as a result of:

- a. Improper or inadequate maintenance or calibration
- b. Operation outside the product's specifications
- c. Accidents, misuse, liquid spills, abuse or other causes that are not defects
