Warranty Information

Limited Warranty Period: 1 Year

The warranty for you, the end-user customer, that the hardware products, accessories, will be free from defects in materials and workmanship under normal usage during the Limited Warranty Period specified above. The Limited Warranty Period starts on the date of purchase by you. Your dated sales or delivery receipt, showing the date of purchase of the product, is your proof of purchase date. You may be required to provide proof of purchase as a condition of receiving warranty service.

Limited Warranty covers only those defects that arise as a result of normal use of the products, and does not cover any other problems, including those that arise as a result of:
a. Improper or inadequate maintenance or calibration

b. Operation outside the product's specifications

c. Accidents, misuse, liquid spills, abuse or other causes that are not defects
